FINAL MATCH OF WORLD AMATEUR CHESS CHAMPIONSHIP 2025

Chess teaches patience, strategy, and determination—qualities that build strong minds and bright futures. I encourage all young players to embrace challenges, think creatively, and play with confidence. As a fellow player, I understand the excitement, pressure, and anticipation that come with every move in a chess tournament. Yet, beyond competition, the true joy of chess lies in playing with passion, learning at every step, and challenging yourself to grow. I encourage to all participants to embrace each moment, stay focused, and enjoy the journey on the chessboard. May this Championship inspire you to play boldly, think creatively, and make INDIA proud.
