SUPPORT THE CHESS DREAM – SHATRANJ FOUNDATION

Shatranj Foundation was founded in **2025** by **Late Tarkeshwar Tiwari and Sunita Tiwari** with a simple but meaningful vision — to promote chess and ensure that financial limitations never become a barrier for a talented player.

Our aim is to create **equal opportunities** for every chess player, especially those who come from economically weaker backgrounds. Through the organisation of **International Chess Events, FIDE-rated tournaments** and **free/accessible chess activities**, we are trying to provide players with quality competition, exposure and a platform to grow.

For us, chess is not only about trophies and ratings. It is about giving a child an opportunity to **dream, compete and believe** that they too can make it.

In just **7 months**, Shatranj Foundation has contributed approximately **₹3,00,000** towards supporting players and promoting chess activities. This has been possible because of our commitment and the support of people who believe in the same vision.

But to continue this journey, we need the support of our well-wishers. If you believe in our cause and would like to contribute, every contribution—big or small—can make a difference. Your support may help a deserving player participate in a tournament, receive valuable exposure, or simply continue pursuing the game they love.

And if you wish to support us **silently and anonymously**, that is absolutely fine too. There is no need for recognition. What matters to us is the support reaching the right place and helping a deserving player.
